4.	**Business Arising from Minutes**	MT advised he had met with the new Sergent in Charge at Cockburn Police to relay concerns raised regarding unlicensed motorcycles tearing around the streets. The Sergent is looking into the matter and has agreed to attend a CLG meeting to address the group. DH noted last Thursday, Lees Park was torn up by a motorcycle. The notice board has been relocated to a more protected area and the community members contact details will be placed on the board. MM requested any items being posted in the notice boards be laminated to prevent deterioration. MT confirmed this would be done. MT tabled the letter which will be posted to people who have sold to LandCorp and still remain in Wattleup allowing them to remain in the property until 30 June 2007 with an option for peppercorn rent when demolition is occurring in the cell they reside in. DH asked if this offer was also open to Wattleup landowners who sell to LandCorp in the future. MT confirmed it was.
