**WATTLEUP – HOPE VALLEY COMMUNITY MANAGEMENT COMMITTEE
MINUTES**

| | | | | |
|-----------|------------------------------|--|--|--|
| 6 | General Business | | | |
| 6a | Route for Desalination Plant | GT asked if a route for the desalination plant had been determined. MT responded there would be pipeline to the Thompson Lake reservoir and a number of routes had been discussed. No formal application has been lodged. | | |
| 6b | Limestone Quarry | A query was raised regarding the limestone quarry on the corner of Dalison Ave and Moylan Road which was creating noise by cutting blocks without water. Council was advised and it has stopped the activity. | | |
| 6c | Demolitions | It was noted Worksafe had been contacted with regard to the demolition contractor's handling of asbestos. | | |
| 6d | Newspaper Article | GT advised he had seen a newspaper article stating contaminated soil from South Coogee was being dumped at the Cockburn tip. MRF advised he was unaware of such a proposal and doubted its authenticity as it contravened landfill conditions. | | |
| 6e | Alcoa Residue Ponds | There was a general discussion regarding residue dust from the Alcoa residue ponds. | | |
| 6f | Security Patrols | JM noted MSA Security appeared to be doing a good job. | | |
| 6g | Ray White Wattleup | FL commended staff of Ray White Wattleup for their professional manner and assistance they provide to his office. | | |
| 7. | Next Meeting | 8 November 2004. | | |
| 8. | Close | There being no further business, the meeting was closed at 4.10 pm | | |
